

NTDC Technician Development Fund

Discovered the development fund in 2020 and was unsuccessful with my first application.

- *Existing contacts within the NTDC*
- *Promotion material on social media*
- *Partner affiliates membership*

Don't give up, keep applying and say YES to new opportunities.

Challenges (expected & unexpected)

- *Recruiting exhibitors – engaging an already stretched technician community*
- *Marketing and promoting the event*
- *Networking – not only technical staff but widening access/participation teams, school engagement, STEM clubs etc.*
- *Project and time management*
